

# The FISHline

## Dear Supporters,

As we close out another year at Oxford/Orion FISH we want to sincerely thank our amazing volunteers and extremely generous donors. This was a very challenging year, but we were able to serve more clients than ever and give away more food than ever because of the unwavering commitment of our volunteers and donors.

Your service and donations helped keep our shelves stocked, our doors open, and our neighbors nourished. Because of you, families facing food insecurity received the food and hope they needed most.

We are deeply grateful for your continued support of our organization and this community that we are grateful to serve.

Happy Holidays!

– Oxford/Orion FISH Board of Directors

FISH received very generous donations this season from the Lake Orion Knights of Columbus (left) and Lions Club. THANK YOU!
